R E P O R T

[To accompany H. Res. __]

The Committee on Rules, having had under consideration House
Resolution ____, by a nonrecord vote, report the same to the House with the
recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate
amendment to the House amendment to the Senate amendment to H.R.
4853, the Tax Relief, Unemployment Insurance Reauthorization, and Job
Creation Act of 2010. The resolution provides three hours of debate on the
topics addressed by the motions specified in sections 2 and 3 of the
resolution, equally divided and controlled by the chair and ranking minority
member of the Committee on Ways and Means.

The resolution makes in order a motion offered by the chair of the
Committee on Ways and Means that the House concur in the Senate
amendment to the House amendment to the Senate amendment to H.R.
4853 with the amendment printed in this report. The resolution waives all
points of order against consideration of the motion except those arising
under clause 10 of rule XXI.

If the motion described in section 2 of the resolution fails of adoption,

the resolution causes to be pending a motion to concur in the Senate amendment to the House amendment to the Senate amendment to H.R. 4853.

Finally, until completion of proceedings enabled by the first three sections of the resolution, the Chair may decline to entertain any intervening motion, resolution, question, or notice; the Chair may postpone such proceedings to such time as may be designated by the Speaker; and each amendment and motion considered pursuant to the resolution shall be considered as read.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the motion (except those arising under clause 10 of rule XXI), the Committee is not aware of any points of order against the motion. The waiver of all points of order against the motion is prophylactic.

SUMMARY OF HOUSE AMENDMENT

Pomeroy (ND): Two-year extension of 2009 estate tax law. The amendment would strike Title III of the Senate amendment to H.R. 4583 and amend the bill to provide two years of estate tax relief at 2009 levels. In calendar years 2011 and 2012, the estate tax exemption amount would be \$3.5 million (\$7 million total for a married couple) and the maximum tax rate on estates would be 45%. Additionally, the amendment would provide estates from decedents in 2010 with the ability to elect to be treated under the 2009 levels or to be treated under current law for tax purposes. This election will allow estates to receive a step up in basis on inherited property rather than the 2010 carryover basis rules. The exemption level and rate are consistent with the estate tax proposal included in the President's FY2010 and FY2011 Budgets. Under the Senate amendment to H.R. 4583, the bill would provide two years of estate tax relief with a \$5 million estate tax exemption (\$10 million total for a married couple) and a maximum rate of 35%. This amendment would save \$23 billion, and would affect a mere 6,600 estates in 2011. These 6,600 estates would receive an average additional tax cut of more than \$1.5 million under the Senate bill.
